**Note:** Valid training courses in this document are subject to change without prior notification. Training submitted based on prior approval will remain valid. Training submitted after the date on this document must meet this

- Training Valid in this document is based on the exam objectives:**
- A+ 220-1201 and 220-1202
  - Network+ N10-009
  - Security+ SY0-701
  - Linux+ XK0-005
  - Cloud+ CV0-004
  - PenTest+ PT0-003
  - CySA+ CS0-003
  - SecurityX CAS-005

**Activity name to use when uploading CEUs into a certification record:**

**Completed a Training Course**

Training formats accepted are Classroom-Based, Live Online, Private On-Site and Self-paced e-learning.

**CEU Required Documentation**  
The certified professional must upload a certificate of completion into their certification record as

**Completion Certificate**

1. Name of training provider
2. Training course title
3. Name of the certified professional
4. Date the training was completed

Training must be completed within the three-year CE Renewal cycle. The course duration hours are to be used when
