

CDSE Pre-Approved Training

Note: Pre-approved training in this document is subject to change without prior notification. Training submitted based on prior approval will remain valid. Training submitted after the date on this document must meet this document training requirements.

Training Valid in this document is based on the exam objectives:

- A+ 220-1201 and 220-1202
- Network+ N10-009
- Security+ SY0-701
- Linux+ XK0-005
- Cloud+ CV0-004
- PenTest+ PT0-003
- CySA+ CS0-003
- DataX
- CloudNetX
- SecurityX CAS-005

Activity name to use when uploading CEUs into a certification record:

Completed a Training Course

Training formats accepted are Classroom-Based, Live Online, Private On-Site and Self-paced e-learning.

CEU Required Documentation

The certified professional must upload a certificate of completion into their certification record as proof of attendance.

Completion Certificate

1. Name of training provider
2. Training course title
3. Name of the certified professional
4. Date the training was completed

Training must be completed within your three-year CE Renewal cycle to qualify for CEUs. When entering CEU hours in your certification record, please use the course duration hours provided by the training provider.

Please note that training can only be applied once within a CE cycle, even if the course has been updated. For details on course durations, refer to the training provider's course descriptions.
